How it works.

A GUIDE TO GETTING STARTED

1. Download JobStack from the Apple App Store or Google Play.

2. Complete the application and registration process through the app.

3. Use the app to view jobs matched to your skills, work experience and location.

4. Tap "I'll Take It" to select a job or "No Thanks" to view more jobs.

USING JOBSTACK

When you select "I'll Take It," the app will automatically dispatch you to your selected job. Here, you'll see:

- A job ticket

- The location of the job, including directions on Google Maps

- Any equipment you may need to bring with you

- Work attire

Then, use the app to:

- Check in at the job site when you arrive or call it off if you can't make it.

- Rate the assignment. Was the job as advertised?

- Receive reminders and notifications.

- Update your preferences and contact information so we can continue to send you the types of jobs that are right for you.
